

National Energy Control Corporation

312 Darby Road, Havertown, PA 19083
phone :(610) 449-9800 fax :(610) 789-7300
Toll free :(800) 227-9800

Attention: Building Automation/HVAC
Johnson Controls Refrigeration Controls
A419, P470 & System 450

NECC & Johnson Controls are teaming up to bring you a unique training experience. Vince Jason, the area representative for Johnson Controls will be showcasing JCI's 'new'

System 450 products, the next generation of modular, stand alone control systems.

Additionally, Vince will lead a discussion on the features & benefits of deploying legacy controls, such as Johnson Controls' A419 temperature control, and newer products such as the P470 family of digital pressure controls with displays.

All course materials will be provided, as well as a continental breakfast.
Please register soon as space is limited.
